

Day 2 11:00 - 12:00

# Continued discussion according seed questions from Users / Provider Dialogue

Kari Luojus, FMI

EUMETSAT

Workshop on European Satellite Snow Monitoring Perspectives  
4 - 5 December 2012

# Questions to be answered by users

- Achievements
- Obstacles
- **Science gaps**
- **Service operation gaps**
- **Collaboration gaps**
- **Coordination gaps**

EUMETSAT

Workshop on European Satellite Snow Monitoring Perspectives  
4 - 5 December 2012

# Questions to be answered by users

- Science gaps
  - Open issues?
  - What are the key parameters, are they covered?
  - Temporal & spatial coverage
  - Accuracy
- Service operation gaps
  - Satellites?
  - Ground based measurements?

# Questions to be answered by users

- Collaboration gaps
  - Between different data & service providers
  - Between providers & users
- Coordination gaps
  - ESA / EUMETSAT / EC / WMO / GEO ...?
